

HARFANG

EXPLORATION INC.

CORPORATE PRESENTATION | SUMMER 2026

A Discovery-Driven Exploration Company

TSXV : HAR

FORWARD-LOOKING STATEMENTS

This presentation contains forward-looking information within the meaning of applicable securities legislation, which reflects the Corporation's current expectations regarding future events. Such statements can be recognized by the terms "forecast", "anticipate", "consider", "foresee" and other terms and similar expressions. In this presentation there is forward-looking information based on 2024, assumptions and subject to 2024, risks and uncertainties, many of which are beyond the Corporation's control that could cause actual results and events to differ materially from those that are disclosed in or implied by such forward-looking information. Such risks and uncertainties include, but are not limited to, the factors discussed under "Risk Factors" in Section 16 of the Company's Management Discussion and Analysis filed on SEDAR+ at www.sedarplus.ca. Any forward-looking information included in this presentation is based only on information currently available to the Corporation and speaks only as of the date on which it is made. Except as required by applicable securities laws, the Corporation assumes no obligation to update or revise any forward-looking information to reflect new circumstances or events.

TECHNICAL CONTENT

Technical content within this presentation concerning the Serpent Property is derived from the technical report prepared for Harfang Exploration Inc., dated September 12, 2024, by Harfang Exploration Inc. and GeoVector Management Inc. and from work completed by Harfang since the effective date of the technical report.

Technical content within this presentation concerning the Sky Lake Gold Project is derived from the technical report prepared for NewOrigin Gold Corp., dated April 6, 2023, by MAP GeoConsulting and from work completed by Harfang and NewOrigin since the effective date of the technical report.

Technical content within this presentation concerning the Blakelock Property is derived from the technical report prepared for LaSalle Exploration Corp., dated September 30, 2019, by Geologica Groupe-Conseil Inc. and from work completed by Harfang and LaSalle since the effective date of the technical report.

The technical reports are all available on SEDAR+ at www.sedarplus.ca.

The technical information in this presentation has been prepared and approved by Ludovic Bigot, P.Geo., VP Exploration of Harfang, a non-independent "qualified person" as defined by National Instrument 43-101 (NI 43-101) Standards of Disclosure for Mineral Exploration Projects.

COMPANY HIGHLIGHTS

NEW "DATA-DRIVEN" MANAGEMENT TEAM IN 2024

SKY LAKE DRILL RESULTS: 7g OVER 18m; 4.5g OVER 16m

PARTNERSHIPS WITH SOQUEM, Li-FT, and FANCAMP

MULTIPLE HIGH-QUALITY TARGETS

STRONG INSTITUTIONAL SUPPORT

MANAGEMENT TEAM

RICK BREGER

President and CEO, Director

Mr. Breger has diverse industry experience spanning both the technical and financial sides of the mining industry. His career includes impactful roles at IAMGOLD Corp. and Coeur Mining Inc., where he executed strategic initiatives and a variety of transactions. Rick's expertise is further bolstered by his capital markets experience while at Canaccord Genuity and Dundee Capital Markets. He holds an MBA from Ryerson University (now Toronto Metropolitan University) and a B.Sc. in Earth and Planetary Sciences from McGill University. Rick is a practicing member of the Professional Geoscientists of Ontario (PGO).

LUDOVIC BIGOT

Vice President Exploration

Mr. Bigot brings a unique skillset to Harfang with his nearly 15 years' experience as an exploration geologist. He was most recently with ALS GoldSpot Discoveries as the lead project geologist responsible for the management and mineral targeting programs for precious and strategic metals in green- and brownfields exploration projects. Ludovic holds an M.Sc. in Economic Geology where he focused on gold deposits in the Abitibi Greenstone Belt in Québec as well a B.Sc. in Earth Sciences, both from the Université du Québec à Montréal ("UQAM"). He is a practicing member of both the Ordre des géologues du Québec (OGQ) and the Professional Geoscientists of Ontario (PGO).

YVON ROBERT

Chief Financial Officer

Mr. Robert has been providing financial reporting and accounting services to junior public companies in the mineral exploration business for nearly 30 years. Prior to this, he held the position of Chief Financial Officer and Treasurer at Strateco Resources Inc., Chief Financial Officer at Opti-Coating Laboratories Inc., and Director of Finance & Administration at Vision2 International Inc. Yvon is a member of the Ordre des comptables professionnels agréés du Québec, CPA, CA, and holds a Bachelor of Business Administration with a concentration in accounting.

MARC POTHIER

Corporate Secretary and Legal Advisor

Mr. Pothier focuses primarily on securities, corporate finance, and mining law. He has often participated in listings, private placements, arrangements, reorganizations, and qualifying transactions carried out by a large number of issuers. Marc is consistently ranked as a leading lawyer in the domains of mining and natural resources law. He has been included in the Canadian legal directory Best Lawyers in Canada since 2008 and in the Canadian legal directory LEXPERT since 2012. In addition, Marc was named "Lawyer of the Year" in the Best Lawyers 2015 directory in the natural resources sector in Montreal.
