Attachment to Form 8937-Part II

Report of Organizational Actions Affecting Basis of Securities (The Arrangement)

**Consult your own tax advisor:** The information contained herein is being provided pursuant to the requirements of Section 6045B of the Internal Revenue Code of 1986, as amended (the “Code”), and includes a general summary regarding the application of certain U.S. federal income tax laws and regulations relating to the effects of the Arrangement (as defined below) on the tax basis of shares in Harfang Exploration Inc., a corporation formed under the laws of the Province of Quebec, Canada (“**Harfang**”), in the hands of holders of shares of Harfang stock who are U.S. taxpayers and who received such shares of Harfang stock pursuant to the Arrangement (as defined below) by reason of previously being holders of shares of stock of NewOrigin Gold Corp., a corporation formed under the laws of the Province of Ontario, Canada (“**NEWO**”) (“**U.S. Shareholders**”). This discussion does not constitute tax advice and does not purport to be complete or to describe the consequences that may apply to particular categories of shareholders. Neither Harfang nor NEWO provides tax advice to its shareholders. You should consult your own tax advisors regarding the particular consequences of the Arrangement to you, including the applicability and effect of all U.S. federal, state and local tax laws as well as non-U.S. tax laws.

This Form 8937 and the analysis contained herein also does not address the U.S. federal, state, local or non-U.S. tax consequences of the Arrangement applicable to holders of options, warrants or other convertible securities of NEWO. Holders of such options, warrants or other convertible securities are urged to consult their own tax advisors regarding the tax consequences of the Arrangement to them in light of their own personal circumstances.

For additional information, please read the Management Information Circular of NEWO dated as of September 12, 2024 (the “**Circular**”), which is available at [www.sedarplus.ca](http://www.sedarplus.ca).

Part II Item 14. (Description of organizational action)

On November 7, 2024, pursuant to an arrangement agreement by and between the parties, Harfang acquired all of the issued and outstanding shares of NEWO (the “**NEWO Shares**”), after which NEWO became a wholly-owned subsidiary of Harfang (the “**Arrangement**”). Pursuant to the Arrangement, each shareholder of NEWO received 0.25694426 of a common share of Harfang (the “**Harfang Shares**”) in exchange for each NEWO Share exchanged therefor pursuant to the Arrangement. No fractional Harfang Shares were issued pursuant to the Arrangement, and no cash was paid in lieu of any fractional Harfang Share, with any fractional Harfang Share rounded down to the nearest whole number.

U.S. Shareholders should review the Circular and consult with their own tax advisors regarding the tax consequences of the Arrangement to them in light of their particular circumstances.

Part II Item 15. (Description of the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer)

Harfang intends that the Arrangement qualify as a tax-deferred reorganization within the meaning of Code Section 368(a), but provides no assurances in this regard. Provided the Arrangement qualifies as a tax-deferred reorganization under Code Section 368(a), each U.S. Shareholder should have a tax basis in the Harfang Shares received pursuant to the Arrangement equal to such U.S. Shareholder's adjusted tax basis in his, her, or its NEWO Shares surrendered in exchange therefor pursuant to the Arrangement.

If a U.S. Shareholder held different blocks of NEWO Shares (i.e., NEWO Shares acquired at different times or different prices) at the time of the Arrangement, such shareholder should consult its own tax advisor with respect to the determination of the tax bases of particular NEWO Shares received in the Arrangement.

Certain former U.S. Shareholders that fail to file a timely gain recognition agreement with the IRS may recognize gain under Code Section 367.

If NEWO was a passive foreign investment Company ("PFIC"), as defined under Code Section 1297, for any tax year during which a U.S. Shareholder held its NEWO Shares, certain special PFIC rules may apply to the Arrangement subject to certain proposed Treasury Regulations that, if finalized in their current form, would apply to transactions on or after April 1, 1992 and that have not been adopted in final form (or withdrawn). U.S. Shareholders should review the Circular and consult with their own tax advisors regarding the potential application of the PFIC rules including the potential application of the proposed PFIC Treasury Regulations.

Part II Item 16. (Description of the calculation of the change in basis)

In the event the Arrangement is taxable for U.S. federal income tax purposes, for purposes of calculating fair market value, the fair market value of an Harfang Share on November 7, 2024 is estimated at U.S.\$0.05, which was the closing price of an Harfang Share on the TSX Venture Exchange on November 7, 2024 (as converted to U.S. dollars using the daily exchange rate published by the Bank of Canada on November 7, 2024).

Each U.S. Shareholder should consult with his, her or its own tax advisors to determine whether they are required to recognize gain in connection with the Arrangement and what measure of fair market value is appropriate.

Part II Item 17. (List of applicable Code sections)

Provided the Arrangement qualifies as a tax-deferred reorganization within the meaning of Code Section 368(a), the U.S. federal income tax consequences for U.S. Shareholders should be determined under Code Sections 354, 358, 367, 368 and 1223.

In addition, if NEWO was a PFIC at any time during the period that a U.S. Shareholder held NEWO Shares, then Code Sections 1291–1297 would be applicable.

Part II Item 18. (Recognition of loss)

Provided the Arrangement qualifies as a tax-deferred reorganization within the meaning of Code Section 368(a), each U.S. Shareholder which received Harfang Shares pursuant to the Arrangement should not recognize any loss.

Part II Item 19. (Other information)

The Arrangement was effective on November 7, 2024. For a U.S. Shareholder which participated in the Arrangement whose taxable year is a calendar year, the reportable tax year is 2024.
